Finish together!

What is the FH Teamathlon?

The FH Teamathlon is a sporting event that focuses on team spirit and having fun. Mutual motivation, enjoying each other, celebrating and achieving a goal together - that is the basic idea. It is also intended to unite employees, students, alumni and interested parties, ideally as a team.

Teams - consisting of three or four people - start together and compete in one of the four disciplines one after the other. In teams of three, one person takes on a second discipline.

The 4 disciplines:

- Stand-Up-Paddling: 600 m
- Cycling: 12 km
- Boccia: 5 balls into the target
- Running: 5 km

Start and finish is at the Waldbad Anif.

The running course will lead through the FH Salzburg.

What is the procedure

Get together in teams of 3 or 4, appoint a „team captain“ and register right away. The teams can or should be mixed: employees, graduates, students, friends, acquaintances, relatives, young people who are interested in the FH Salzburg, everyone can participate.

SUP boards are provided. Bikes have to be brought by yourself, mountain and city bikes are allowed! Normal sportswear is completely sufficient, regardless of the discipline. A functional shirt will be provided to each participant.

The award ceremony follows the sporting part.

Prizes will be awarded to the 3 fastest teams and the team that achieves the „average time“.

Furthermore, there are two special awards, namely the biggest/loudest/funniest fan group and the coolest team „bring your friends“ - with at least one external person in the team.

Food and one beverages are free!

Be part of the 2nd FH-Teamathlon - a cool and fun event with a small sportive challenge but a big but great fun factor!

Minimum age is 16 years

When?

Friday, June 7th, 2024
